M40

M40 SERIES 51-105HP MID-SIZED UTILITY TRACTORS

Models from 60 to 95hp, smooth powerful and quiet diesel engines

Choices of 8 to 36 synchronised speeds, depending on the model, with powershuttle and efficient PTO

Capacities from 1900kg (M6040) to 3900kg (M9540)

Dedicated flow rates to linkage and remotes from 41.6 to 64.3 l/min with added choice of remote valve configurations

Kubota loaders offer ample lifting height and capacity, ideal for demanding livestock farming

M5

M5-1 SERIES 93-110.5HP PROFESSIONAL TRACTORS

Features a 3.8L engine that produces 93, 105 and 110.5hp, depending on the model, and includes constant engine RPM and engine rev memory

6 synchronised gears in 3 ranges with dual speed splitter (5-111 DS and Narrow Models). This enables 36 gear options. Power Shuttle ensures a smooth change of direction

Sets the standard in comfort and control with unparalleled visibility and ergonomic design
