CREATE YOUR OWN

PERFORMANCE-MATCHED PACKAGE WITH KUBOTA'S LAND PRIDE ATTACHMENTS.

RCR12 SERIES **ROTARY CUTTER**

Ideal for maintenance of grass and similar surface vegetation. A standard tailwheel reduces load on the tractor and improves performance on undulating ground.

DH10 SERIES **DISC HARROW**

Create firebreaks with ease. Adjustable gang angle allows variable working intensity. Notched discs improve performance in tough conditions.

RTR05 SERIES **ROTARY TILLER**

Cultivate the soil to create a fire break or prepare for spring planting. RTR05 Series tillers are specially designed to suit sub-compact tractors like the Kubota BX Series.

SGC05 SERIES **CLAW GRAPPLE**

Claw Grapples are a front end loader attachment that allow effective handling of loose or bulky material not easily handled with a standard bucket.

LR16 SERIES **LANDSCAPE RAKE**

Easily and effectively gather loose surface material. The Landscape Rake is ideal for spring clean-up tasks.

BX SERIES OFFER

Receive \$250 credit towards the purchase of Land Pride performance-matched attachments for your new Kubota BX & B Series tractor. Credit must be used at the time of purchasing the tractor.

VAST ROTARY CUTTER RANGE

RCF27 SERIES SINGLE SPINDLE

A single spindle rotary cutter, like Land Pride's RCF2772, offers simplicity, ease of maintenance, and cost-efficiency, making it ideal for many land maintenance tasks.

RCF36 SERIES DUAL SPINDLE

A Land Pride dual spindle rotary cutter provides increased cutting width, improved efficiency, and enhanced balance for heavy-duty tasks, making it perfect for large-scale land clearing and pasture maintenance.

RC25 SERIES FOLDING

Opting for a Land Pride folding rotary cutter allows for easier transportation and storage due to its foldable design, while still delivering the cutting power needed for demanding agricultural tasks.
